

APPEAL NO. 032489
FILED NOVEMBER 10, 2003

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on September 3, 2003. The hearing officer determined that the respondent (claimant) sustained a compensable repetitive trauma injury with an injury date of _____, and that the claimant did not have disability resulting from the compensable repetitive trauma injury with a date of injury of _____. The appellant (carrier) appealed the hearing officer's injury determination essentially on sufficiency of the evidence grounds. The appeal file does not contain a response from the claimant. The hearing officer's disability determination has not been appealed and has become final. Section 410.169.

DECISION

Affirmed.

The hearing officer did not err in making the complained-of determination. The determination involved a question of fact for the hearing officer to resolve. The hearing officer is the sole judge of the weight and credibility of the evidence (Section 410.165(a)) and, as the trier of fact, resolves the conflicts and inconsistencies in the evidence including the medical evidence (Texas Employers Insurance Association v. Campos, 666 S.W.2d 286 (Tex. App.-Houston [14th Dist.] 1984, no writ)). In view of the applicable law and the evidence presented, we cannot conclude that the hearing officer's determination is so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175 (Tex. 1986).

The hearing officer's decision and order are affirmed.
